MY PROFILE

Hello, I'm Phil Pagliari, currently serving as the lead web designer and developer at Blink Advertising, a dynamic marketing agency headquartered in Pittsburgh. With over 13 years of dedicated experience, I bring a comprehensive skill set encompassing Graphic Design, UX/UI Design, and Web Development, Hosting and server management to the table. Throughout my career, I've had the privilege of collaborating with numerous national brands, as well as engaging directly with a diverse clientele base, honing my expertise in graphics, UX/UI, and website design. Working alongside a team of talented individuals, I've cultivated a well-rounded approach to web design and development. My passion for innovation drives me to consistently push boundaries and exceed expectations with each new project. I thrive on the challenges of the ever-evolving digital landscape, always striving to elevate my craft and deliver exceptional results.
