

PHILIP PAGLIARI

WEB DESIGNER &
FULL-STACK DEVELOPER

PROFILE

Mission-driven Lead Web Designer and Developer with over 13 years of experience crafting high-performance digital experiences. Expert in UI/UX design using Figma and the Adobe Creative Cloud to support growth, engagement, and outreach. As a church planter and Master of Divinity graduate, I bring a unique blend of theological clarity and technical excellence to serve the global church through strategic web design.

EXPERIENCES

2021 - PRESENT

LEAD WEB DESIGNER & DEVELOPER

Blink Advertising

- Lead UI/UX Designer for a dynamic agency, utilizing Figma to architect responsive landing pages and content templates.
- Manage 60+ active websites, ensuring visual cohesion, high performance, and secure server environments.
- Designed and developed 20+ custom websites from the ground up, focusing on intuitive user interfaces and accessibility.
- Collaborate with cross-functional teams to translate complex briefs into digital experiences for national brands.

2021 - PRESENT

PASTOR/CHURCH PLANTER

The Valley Remnant Church

- Planted and lead a Reformed church in Belle Vernon, PA, focusing on teaching and discipleship.
- Manage all digital and print communication, ensuring theological clarity across all outreach channels.

2012 - 2022

CHIEF OF DESIGN & DEVELOPMENT

Green Brain Design Factory

- Directed design strategy for 100+ clients, delivering custom corporate identities and marketing assets.
- Architected custom WordPress solutions, managing everything from initial wireframes to final server deployment.
- Produced motion graphics and video advertising using Adobe After Effects and Photoshop.

2012 - 2021

NATIONAL BRAND & NON PROFIT EXPERIENCE

Freelance & Contract

- Primary Care Health Services: Provided critical technical support for 100+ users in a Federally Qualified Health Center.
- 84 Lumber Inc.: Developed retail store designs and promotional materials for national store managers.
- Liberty USA Inc.: Managed print production for national marketing materials and displays.
